DOMINION ORDERS IN COUNCIL.

[2785.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 8th day of December, 1911.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date the 1st December, 1911, that the General Manager of the Nicola Valley Pine Lumber Company, has made application for a permit to cut the timber on the North Half of Section 9, Township 13, Range 23, west of the sixth meridian, which half-section adjoins territory on which his company holds a permit to cut timber from the Provincial Government of British Columbia. It is represented that if a permit to cut the timber in question cannot be secured, the company will be obliged to remove its camp; and a report has been received from the Agent of the Department of the Interior at Kamloops to the effect that the company is providing employment for a large number of men, thus meeting a long-felt need in the district.

The Minister recommends, in view of the circumstances connected with the case, that he be granted authority to issue a permit in favour of the company, to cut the timber applied for, subject to dues at the rate of \$2 per thousand feet B.M., according to the British Columbia log-scale, and that timber cut, of any other class, be subject to the dues provided in clause (a) of section 42 of the timber regulations.

The Committee submit the same for approval.

je13 RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT

Monday, the 13th day of May, 1912.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 10th May, 1912, that by Order in Council of the 8th December, 1911, authority was granted for the issue of a permit to the Nicola Valley Pine Lumber Company to cut timber on the North Half of Section 9, Township 13, Range 23, west of the sixth meridian, on payment of dues at the rate of \$2 per thousand feet B.M., according to the British Columbia log-scale. Representations have been made that the rate of dues chargeable is creating too heavy a burden for the company. From the Timber Inspector's report, it appears that the company faced exceptional difficulties in removing timber; that it was only possible to remove 100,000 feet, leaving about 1,500,000 feet on the ground, 90% of which is pine, which will deteriorate greatly in value before it is taken out next season.

The Minister, therefore, recommends that the Order in Council, above referred to, be amended so as to provide that the dues chargeable shall be \$1.50 per thousand feet B.M.

The Committee submit the same for approval.

je13 RODOLPHE BOUDREAU,
Clerk of the Privy Council.

[1342.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 22nd day of May, 1912.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

THE Minister of the Interior, under date the 14th May, 1912, states that the Regulations for the disposal of Dominion lands within the Railway Belt of British Columbia approved by Order in Council of the 17th September, 1889, provided by section 40 thereof that any person specially authorized by the Governor in Council shall, in relation to matters coming within the scope of the said regulations, have power to summon before him any

person; to examine such person under oath; to compel the production of papers and writings, etc.;

That Samuel Mabey, of the Department of the Interior, has been instructed and empowered in the capacity of Superintendent of British Columbia Dominion Lands; to inquire into and investigate all matters relating to Dominion lands and timber in the Railway Belt; to hear and adjudicate on claims of settlers, squatters, and others to homestead entry or patent; to inquire into the holding of lands under timber licence affected by the claim of squatters or settlers; to cause necessary inspections of land or timber to be made, and to investigate all matters of dispute or grievance affecting such lands or timber;

That, to enable him to properly perform the duties assigned him as aforesaid, it is necessary that the said Samuel Mabey should have the powers described in the said section 40.

The Minister, therefore, recommends that Samuel Mabey be specially authorized to exercise the powers set forth in said section 40 of the said regulations.

The Committee submit the same for approval.
